

Sunningdale

230V/50Hz | 2000 Watt

Experience Better Living

Freestanding

The Sunningdale is a classic, timeless stove design that suits many different interiors. The real experience of fire, with crackling sounds, sparks that seem to jump is all down to the proven Opti-V® technology. A built-in heating bed completes the experience.

- Authentic look of cast iron stove with a metal housing
- Crackling logs sound effects with adjustable volume
- Glass door that can be opened
- Digital thermostat for temperature adjustment

-  One-sided decorative fireplace
-  Blended 3D technology creates enchantingly beautiful flames
-  Opti-V flame technology, an advanced combination of HDTV, energy efficient LED technology and a lifelike fireplace interior
-  By using an LCD screen in combination with the pepper ghost effect, an energy-efficient fire image that requires no maintenance
-  Powerful fan-assisted heating by safe element that provides additional heating on demand
-  Control all functions of the fireplace from the comfort of your chair
-  Fireplace can also be operated via button display on the fireplace
-  Easy to connect to a standard socket for instant atmosphere
